RESITA

THE CITY

Resita is a mountain town of about 73.000 people located in the south western part of Romania. Reșița lays in the middle of Banat Mountains, so to live in Resita means having greenery and mountains in your sight at any time, while still enjoying the perks of urban life. Two national parks, Semenic – Caraș Gorge and Nera Gorge – Beușnița, provide quick access to hiking trails, off-road experiences, wild nature and spectacular scenery. Three hydro plant lakes – Secu, 3 Ape and Gozna – are a treat for those with a passion for fishing or kayaking. Lakeside leisure sites like Casa Baraj, Aquaris, 3 Ape attract regular visitors from neighboring counties in search for fun, sunbathing or a dive into the crisp waters at Văliug and Brebu.

Ski slopes are ready winter-time for snow lovers at Semenic, Văliug, Gărâna and Muntele Mic while biking and trail running events are organized regularly. Mircea Chivu Stadium is crowded with cheering young footballers every evening.

POCKET MONEY

The pocket money is calculated based on the Erasmus + EVS programme, in the case of Romania we have 60 EURO/ month which in RON (Romania currency) is ~275 RON.

FOOD MONEY

The food money is calculated by the Erasmus + EVS programme, which in this case is 120 EURO/ month which in RON is ~550 RON.

CLOTHES

As the weather can change from one day to another, we suggest you to have comfortable clothes and shoes for both situations. In general, the weather in May is very capricious but can be very warm!! For which we suggest you to bring sun lotion and mosquito protection to ensure your comfort while staying in Romania.

LANGUAGE

The EVS volunteers will have once a week a paid Romanian teacher which will slowly introduce the volunteers to the Romanian language.

WHAT WILL YOU GAIN FROM THIS PROJECT

YOUTHPASS

All participants in the EVS programme have the option of receiving a Youthpass certificate which proves their participation in the EVS programme.

Youthpass is a tool to document and recognize learning outcomes from youth work activities. It is a part of the European Commission's strategy to foster the recognition of non-formal learning, putting policy into practice and practice into policy.
