Living in Berlin:

Have you ever lived away from your parents house? Yes ☐ No ☐

How do you feel about it? What are your experiences?

You will be sharing the flat with other volunteers: How can you contribute to the living?

And what do you think can you benefit to the living? Is there something important to you?

About your Motivation:

Why do you like to take part in the ESC program in Berlin?

What are your expectations? What experience you expect to gain?

How or with which skills you can support your project? How can you contribute to the group?

How would you describe your personality? What are your strengths? And what is rather difficult for you?

Do you have any work experience like part-time jobs? Did you already volunteer before?
Or do you have any other qualifications you like to share? (please describe)

What are your Hobbies? How do you spend your free time?

What fears you have about the voluntary service? What could be challenging for you staying one year in Berlin?

Do you have any special needs that should be taken into account for your voluntary service, so we can support your stay? (e.g. medical, diet, social, psychological, mobility, ...)

ijgd especially support young people, who rather has a difficulties in life, whos social situation is or has been troubled. If you feel addressed, you might explain a bit your situation:

Something else you like to share with us? Or something which is important to you?
