Living in Berlin:

Have you ever lived away from your parent's house? Yes No

What are your thoughts on living far away from home for a year? What are your experiences?

You will be sharing the flat with other volunteers: How can you contribute to the living?

And what could you gain from the experience? Is there something important to you

About your Motivation:

Why would you like to take part in the ESC program in Berlin?

What are your expectations? What experience you wish to gain?

In what ways can you support your project? How can you contribute to the group

How would you describe your personality? What are your strengths? And what would you like to improve about yourself?

Do you have any work experience (e.g. part-time jobs, non profit work, youth work)? Did you already volunteer before?

Or do you have any other qualifications you would like to share? (please describe)

What are your Hobbies? How do you spend your free time?

What are you worried about regarding the voluntary service? What might you find challenging about staying in Berlin for a whole year?

Do you have any special needs that should be taken into account for your voluntary service, so we can support your stay? (e.g. medical, diet, social, psychological, mobility, ...)

ijgd especially aims to support young people who experienced difficulties in life or have a troubled social situation. If you feel this applies to you, please explain your situation.

Is there anything else you would like to share with us? Or is there something else that is important to you?
