EUROPEAN
SOLIDARITY
CORPS

THE PROJECT

Promoting sports, in particular volleyball

The main directions to achieve this are through:

- raising awareness online (media materials)
- raising awareness in the local community (attracting and directly involving beneficiaries)
- promoting social inclusion through sports
- strengthening cooperation on sport matters between local institutions, authorities and sport clubs, and the NGO sector

The volunteering activity aims at the development of competences, mostly organisational, communication and digital ones, which to further support the volunteer with the integration on the labour market.

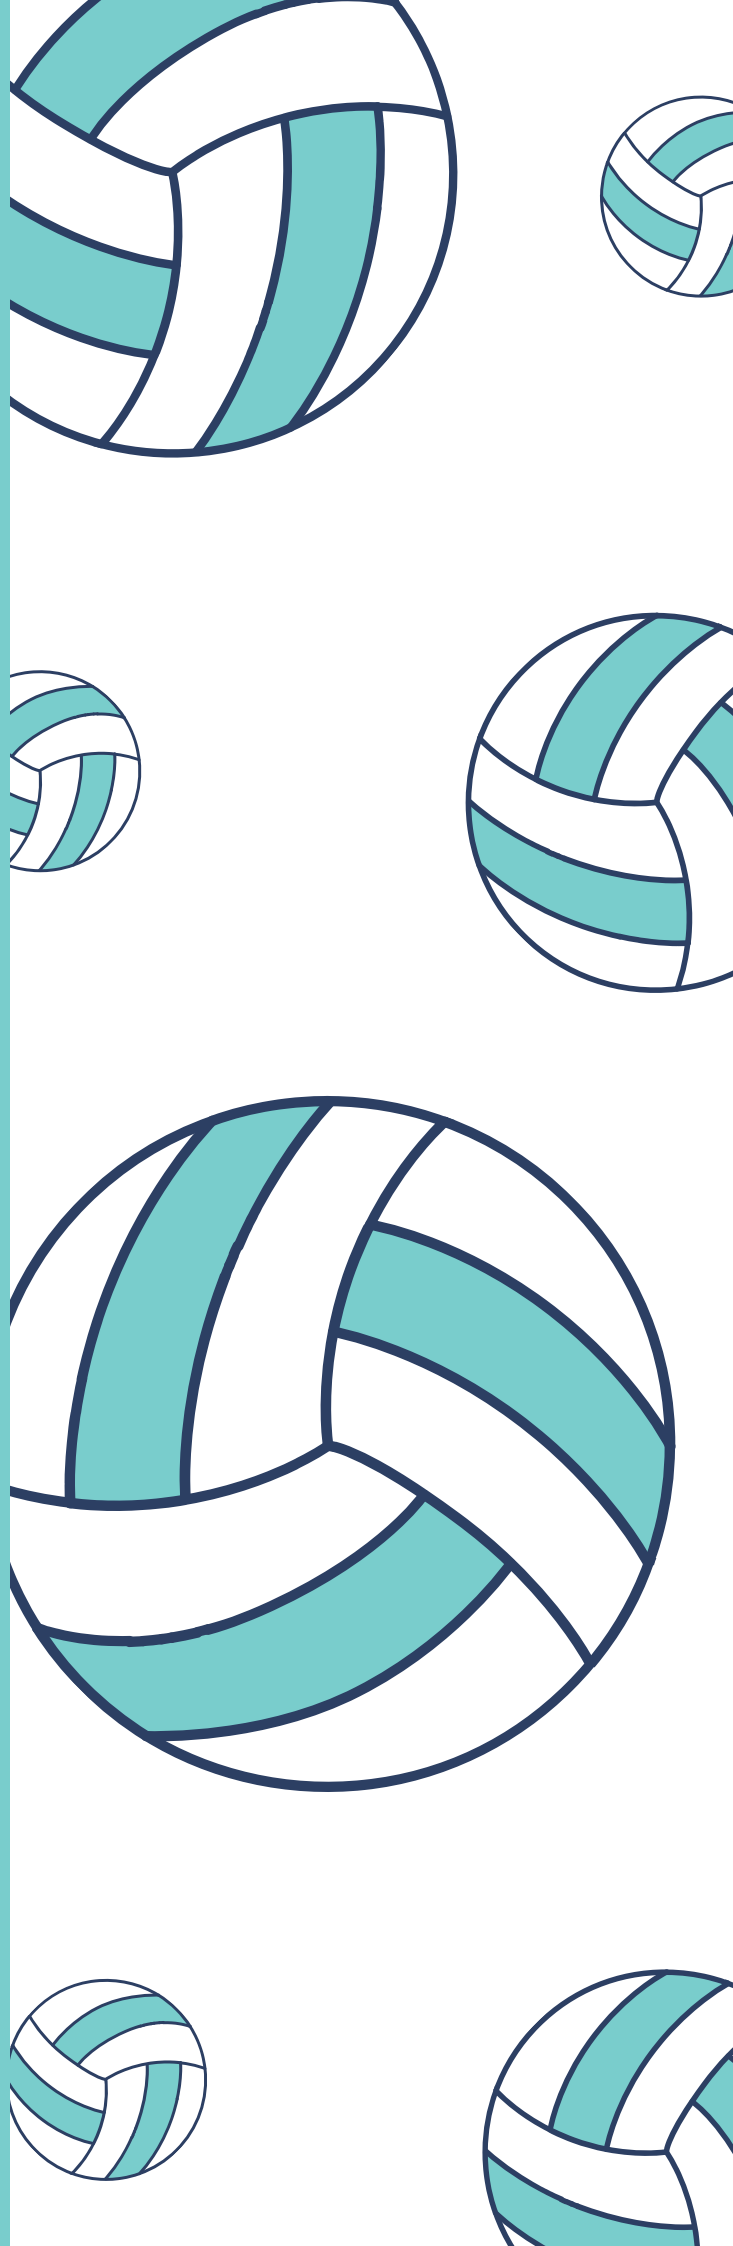

OPPORTUNITY

No need to worry about anything. All costs covered!

You are offered:

- travel support (maximum 360 euro for the round trip)
- pocket money (90 euro/month)
- food allowance (120 euro/month)
- accommodation and utilities
- linguistic support (Romanian courses)
- materials for activities
- coordination from the sending organisation
- coordination and mentoring from the hosting organisation

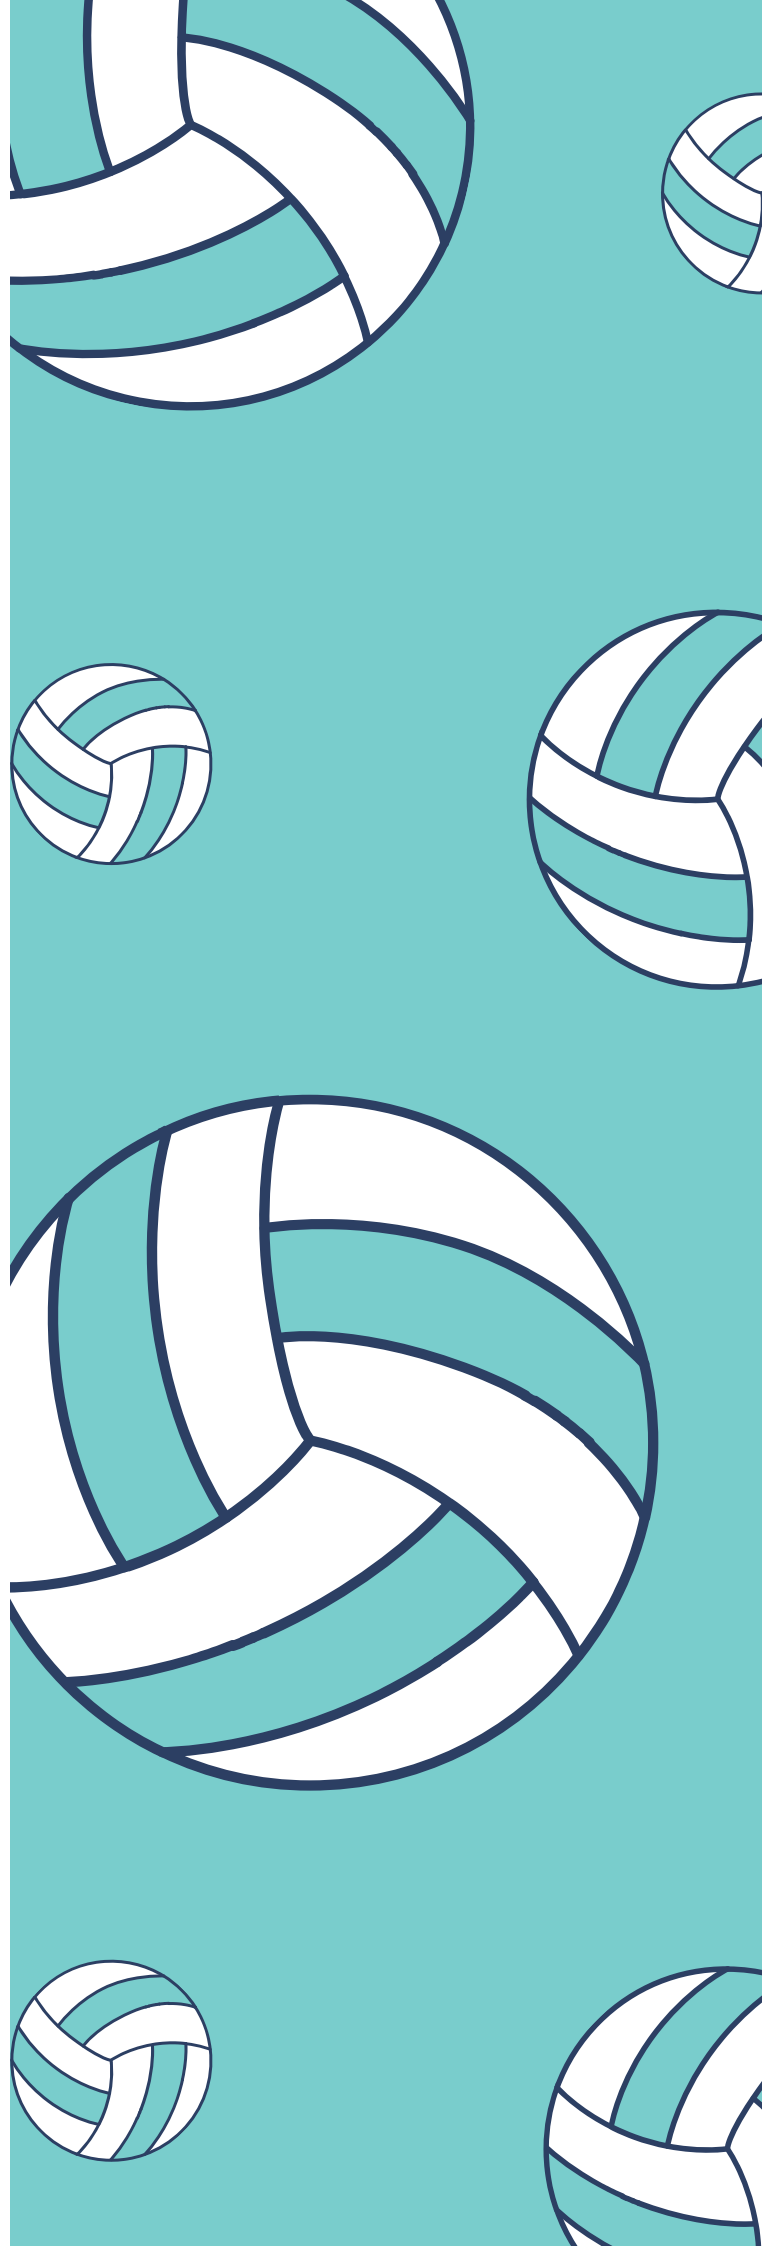

The volunteers will work directly with the athletes and members of CS Stiinta Explorari volleyball club
